

# Feedback Form

I would appreciate if you could give me a small amount of your time to complete the following feedback form so that future training courses can be improved. There are less than 10 questions (just!) in total and the feedback form shouldn't take more than 1-2 minutes to fill-in. Please be as honest as you can because genuine feedback - both positive feedback and constructive criticism allows me to accurately understand what did and didn't work. Let me know if you don't want the feedback answers to be used for testimonials. Thank you!

Tables Pivot tables Sorting/filtering data
--

Are there any topics that you would like to know more about?

Data cleansing
----------------

Were there any topics that you do not think you will use?

Less likely to use <sup>the</sup> functions for adding up data etc
--

How could the training be improved?

For example....Was the room suitable? Was everyone at the same level? Did the trainer deliver the training at the right pace? Were useful topics covered?

Pace was slightly too quick post lunch but this was understandable as we lost time due to the power cut! Use examples of data relevant to England Hockey
