

# Feedback Form

I would appreciate if you could give me a small amount of your time to complete the following feedback form so that future training courses can be improved. There are less than 10 questions (just!) in total and the feedback form shouldn't take more than 1-2 minutes to fill-in. Please be as honest as you can because genuine feedback - both positive feedback and constructive criticism allows me to accurately understand what did and didn't work. Let me know if you don't want the feedback answers to be used for testimonials. Thank you!
